**What is the Summer Medical Academy?**

A two-week summer program led by over 100 faculty from the Rady Children's Hospital and other cutting edge healthcare organizations in the region.

**What will you do?**

Explore the unique and exciting world of healthcare and medicine during a variety of sessions including:

- **Lectures/Interactive Discussions** about crucial topics in healthcare by medical professionals.
- **Hands-on skills clinics** to try basic techniques in orthopedics, emergency medicine and more.
- **Group projects** about public health challenges.
- **Career panels** during which faculty will share their stories, experience, and advice.
- **Team building/Networking** activities and games to learn new techniques and get to know your peers and future colleagues.

**Who should apply?**

Highly motivated and enthusiastic students who are interested in a career in healthcare. Students who will be 15-19 years old in June 2018 are eligible.

**How much does it cost?**

Tuition for the program is \$2,450 and covers all course, lab and program materials; t-shirts and scrubs; and daily lunch. Parking at Rady Children's is included, but other locations are TBD.

Proceeds from the Academy help support the **FACES for the Future** (<http://bit.ly/rchsdfaces>) program at Rady Children's & tuition is partially tax deductible.
