

Want to be a Doctor, Nurse or Pharmacist? Maybe a Geneticist or Lab Scientist? We can show you what it's all about!!

Rady Children's Hospital—San Diego,
in collaboration with UC San Diego School of Medicine and
Skaggs School of Pharmacy and Pharmaceutical Sciences presents:

Summer Medical Academy 2017

July 10—21, 2017
Mon-Fri, 9 a.m. to 4:30 p.m.

The Details

The Summer Medical Academy is seeking highly motivated students who are interested in professions in the medical field. Students who will be 15-19 years of age in July 2017 are eligible.

In this experience of a lifetime, students will:

- Practice hands-on clinical skills such as casting, suturing and wound management, led by medical professionals
- Meet and learn from the people who are perfecting genome sequencing
- Interact with Cardiology Team members who perform heart transplants at Rady Children's
- Participate in a simulated medical emergency
- Experience the excitement of high-tech clinical simulation in the Surgery Center of the Future

Tuition: \$2,300

partially tax deductible, supporting

[FACES for the Future San Diego](http://facesforthefuture.org/san-diego/san-diego.html),

<http://facesforthefuture.org/san-diego/san-diego.html>

Tuition covers all course and lab materials, scrubs and daily lunch. Parking and daily transportation not included. Course locations include Rady Children's Hospital, UCSD and potentially additional sites.
