

Want to be a Doctor, Nurse or Pharmacist? Are you interested in Genetics and Surgery?
We can show you what it's all about!

Apply to be part of the 6th Annual Rady Children's Summer Medical Academy!

Session 1:
June 17 - 28, 2019
9am - 4:30pm

Session 2:
July 8 - 19, 2019
9am - 4:30pm

Rady Children's Hospital-San Diego in collaboration with multiple community partners

What is the Summer Medical Academy?

A two-week summer program led by over 100 faculty from the Rady Children's Hospital and other cutting edge healthcare organizations in the region.

What will you do?

Explore the unique and exciting world of healthcare and medicine during a variety of sessions including:

- **Lectures/Interactive Discussions** about crucial topics in healthcare by medical professionals.
- **Hands-on skills clinics** to try basic techniques in orthopedics, emergency medicine and more.
- **Group projects** about public health challenges.
- **Career panels** during which faculty will share their stories, experience, and advice.
- **Team building/Networking** activities and games to learn new techniques and get to know your peers and future colleagues.

Who should apply?

Highly motivated and enthusiastic students who are interested in a career in healthcare. Students who will be 15-19 years old in June 2019 (enrolled in 9th-12th grade) are eligible.

How much does it cost?

Tuition for the program is \$2,450 and covers all course, lab and program materials; t-shirts and scrubs; and daily lunch. Parking at Rady Children's is included, but other locations are TBD.

Proceeds from the Academy help support the **FACES for the Future** (<http://sdhealthscholars.org/about-faces-for-the-future/>) program at Rady Children's & tuition is partially tax deductible.
