

# Rady Children's Health Medical Academies 2025-2026

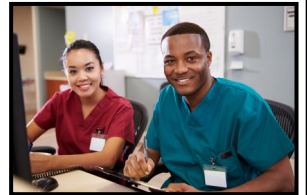

## What is Medical Academy?

The Rady Children's Health Medical Academy programs provide learning and growth opportunities for students with an interest in pursuing careers in healthcare. Taught by healthcare professionals, our programs feature hands-on skills & interactive learning opportunities.

### **Weekend Medical Academy- Working as a Physician Assistant: Careers, Pathways and What You Need to Know November 7-9, 2025**

Learn about the role of the physician assistant in healthcare, what it takes to become a physician assistant, explore career opportunities, and practice key clinical skills.

### **Weekend Medical Academy- From Dreams to Reality: Become a Professional Nurse April 24-26, 2026**

Learn about the importance of nursing, work with nursing students, and practice key nursing skills.

### **Weekend Medical Academy- Mental Health Matters in Medicine May 16-18, 2025**

Learn why "there is no health without mental health", change perceptions about common mental health disorders, and explore the intersect of physical and mental health

### **Our Signature Program: Summer Medical Academy Learning, Doing, Sharing Two Session Options: June 15-26 & July 6-17, 2026**

Learn about a wide range of possibilities in a healthcare career; gets hands-on experience through multiple skills-clinics; hear about key topics in medicine from experts; & make connections with future colleagues.
